Discussion items and conclusion

A two-day working meeting on the accreditation of a joint master program in English in the Maritime Environmental Protection and Management was held at the Aleksander Moisiu University Durres as part of a project “Development of Regional Joint Master Program in Maritime Environmental Protection and Management – MEP&M” of Erasmus + program. In addition to the hosts, the meeting was attended by a working team from the University “Ismail Qemali” Vlora from Albania and the Faculty of Maritime Studies Kotor of the University of Montenegro.

The main topics of the meeting were related to the:

- report DEV1.3,
- procedure of the upcoming accreditation of master programs in English at partner institutions in Montenegro and Albania,
- procurement of appropriate equipment that will improve distance learning and presentation of activities,
- and models for verification of developed master program in English.

In the concluding hours, the working team of the MEP&M project has made a travel plan for the current year and a list of consortium meetings for the implementation of work packages WP2 and WP3.

Also, members of the project teams took the opportunity to attend an international conference entitled “3rd International Scientific Conference of the Faculty of Professional Studies” and present part of the analysis of DEV 1.2 related to the development of this program at the University of Montenegro. In the next period, team members will attend training within the DEV 3.4.5.

Minutes adopted in the first reporting period (M21).
